

## GET ORGANIZED + EFFICIENT. TODAY.

At BLUBERYL, we know that with the proper systems in place, life's details can be effectively managed. We provide strengths-based productivity coaching to help our clients identify, prioritize, and master organizational skills. We are proud to help individuals with both personal and professional needs. The results are improved organization, real efficiencies, and streamlined workflow.

We consider it a privilege to be invited into your life to help you reach your organizational goals and find more time for the things that are most important to you.

## BLUBERYL PRODUCTIVITY+ PACKAGE

The BLUBERYL Productivity+ Package helps individuals organize, improve time management skills, and increase efficiency in their personal and/or professional lives. We tailor our services to your situation and your needs. This package contains three prepaid sessions that are scheduled at your convenience.

During the first three sessions we:

- ✓ Assess your current productivity & organizational processes
- ✓ Identify your strengths and work style
- ✓ Identify your productivity and organizational goals
- ✓ Develop a plan of action for meeting those goals
- ✓ Start working with you on meeting those goals!

After the first three sessions, you choose how many more Productivity+ Packages you'd like to purchase to help you get where you want to go.

Once you feel you've reached your near-term goals with us, you can purchase additional Productivity+ Packages to receive support maintaining your new skills and work habits. This support consists of less frequent check-ins to help you stay on course with your new plan until you feel comfortable sustaining it on your own.

## HOW IT WORKS

- You purchase your first BLUBERYL Productivity+ Package.
- Each BLUBERYL Productivity+ Package costs \$475, payable in advance.
- All sessions are conducted by phone or online using Skype or FaceTime.
- What you need for your sessions:
  - ✓ 45 minutes of uninterrupted time per session
  - ✓ A way to connect:
    - Online:* Internet connection; access to Skype or FaceTime; headset with microphone
    - By phone:* A reliable phone connection
- Subsequent Productivity+ Packages may be purchased based upon your goals and progress.
