

ORGANIZED + EFFICIENT. EVERY DAY.™

At BLUBERYL™, we know that with the proper systems in place, life's details can be effectively managed. We provide strengths-based productivity coaching programs to empower individuals to identify, prioritize, and master organizational skills. We are proud to work with students, parents, and professionals in many settings. Upon request, we also enjoy collaborating with clinicians and other members of a client's team. All of our services use our unique formula and precisely designed products. For our clients, the results are improved organization, real efficiencies, and streamlined workflow.

HOW IT WORKS

BLUBERYL's developmentally appropriate system is delivered in distinct session packages that are customized to each individual's particular learning environment. One-on-one sessions are held in person and online. We also offer:

- Student & professional workshops
- Precisely designed products
- Scribe services
- Custom designed school & corporate programs
- Corporate retreats
- Speaking engagements
- Small group programs
- Ongoing tips via social media

IS BLUBERYL RIGHT FOR MY STUDENT?

Has **homework turned into a battleground?**

Would you like to see your child work **more efficiently?**

Launching your college student towards independence?

Is your child's current situation **having a negative impact on your relationship?**

IS BLUBERYL™ RIGHT FOR ME?

Overwhelmed when **managing** multiple projects?

Needing to carve out **more time** for yourself and the things you love?

Searching for support hitting those **deadlines**?

Hoping to find a more **efficient** way to handle your daily workflow?

HOW DO I START?

If your answer to any of these questions is **YES**, BLUBERYL can help!

It's never too early or too late to engage BLUBERYL. We work with families of preschoolers wanting to start off on the right foot, adolescents who are anxious to become more organized learners, college students who are managing new environments, and adults who want to take their success further.

Working with the BLUBERYL team couldn't be easier. Take the first step and book your complimentary 15-minute appointment!

ORGANIZED + EFFICIENT. EVERY DAY.™

Through strengths-based productivity coaching, BLUBERYL empowers students and professionals to identify, prioritize, and master specific organizational skills for measurable results.

In addition to individual sessions, student and professional workshops, and our precisely designed products, BLUBERYL's developmentally appropriate system is delivered through custom-designed school, corporate, and small group programs.

SCHOOL PROGRAMS

BLUBERYL enjoys going to school! In collaboration with administrators and staff, we shape custom designed programs for students of all ages, from elementary to graduate level. Perfect for public, private, or charter schools, each presentation offers interactive content adapted to the group's needs.

PROFESSIONAL + CORPORATE EVENTS

Our corporate retreats and on-premise engagements allow organizations to focus on specific goals for their employees, in a private, productive environment.

SMALL GROUP GATHERINGS

Small BLUBERYL programs are ideal for parent, neighborhood, and religiously affiliated groups, as well as for homeschool communities, book clubs, and more. These topic-based gatherings are a terrific way to share ideas and resources.

WORKSHOP SERIES

Working closely with a team of professionals, we have created a successful, highly praised series of in-person and online workshops. Workshops allow participants to acquire new information and share ideas in an interactive, comfortable environment. Through web-based conferencing, these dynamic meetings are available to our clients around the country. Our current workshop schedule may be found on our website under the EVENTS tab.

CUSTOM-DESIGNED WORKSHOPS

BLUBERYL™ also enjoys going to school and universities! We work with administrators and staff to shape programs for their students, who range from the elementary to graduate level. Perfect for public, private, or charter schools, each presentation is custom designed to meet the needs of each student body and may be recorded for ongoing access. These workshops are delivered either in person or online and offer:

- Interactive content adapted to a group's needs
- Ample time for attendee questions and answers

All workshops offer the opportunity to purchase our precisely designed products at a significant discount for students and families in attendance. School bulk product purchase options are also available.
